Net Savings	\$27,740

Annual Dinner

Our annual dinner will be “Celtic celebration” On October 3. 2008. It will feature French food and Irish entertainment.

Fundraising

During the first week of March, 400 letters requesting donations were printed. Many names were removed from the data base due to lack of donations or attendance at the dinners. Hence we all need to look for the new names to be added to the data base.

Projects:

IBS Rwanda

Here are some pictures from our IBS- Rwanda project.

Seven year old Paul who looks more like four year old, with a volunteer in Gatenzi, Rwanda.

ETC- India

We have decided to add a few more children to our tuition scholarship project in Ulhasnagar area.

Vietnam

Fred Murman, one of our major donors recommended to double the number of children we support from 100 to 200. Fred will contribute half of the expense. The board has approved this project.

Cambodia

Fred Murman has also recommended a project in Cambodia for the school fees, books and uniforms of 30-35 children. The board has approved the project.

Uganda

We received the newsletter from Pastor Chris, our contact for Uganda project. It was a very sad letter describing the conditions of the children, there.
